About Us

Helping the Homeless Help Themselves

Located in Hollywood, FL

Shelter was started in 1997. This grass roots charity found themselves closing county bridges, removing the gap between hope and reality.

We at The Homeless Voice raise our donations one cent at a time. We were founded by a man named Sean Cononie, who states,

"We will not turn anyone away."

*Love as always between all, the world can be good
when she wants to, all we have to do is love all.*

-Sean Anthony Cononie

The Homeless Voice newspaper is the only newspaper that has a shelter attached to it. We put the profits back into housing people.

Publication is monthly
Currently 100,000 in circulation
